

Mid-East Prophecy Update – March 5th, 2017

- For today's prophecy update I want to answer the question of why the left here in America is so afraid of the Trump Presidency.
- This for a number of reasons, chief of which is that of an all out war in the spiritual realm, which is both dangerous and serious.
- It's serious because of the propensity for sudden destruction and dangerous because the high stakes for Jews and Christians.

I'll begin with President Trump's address to a joint session of Congress on Tuesday. After marking the conclusion of Black History Month, and talking about what America will look like on our 250 year anniversary as a nation only nine-years from now, and everything in between, he honored Carryn Owens, the widow of US Navy Special Operator, Senior Chief William "Ryan" Owens, who was killed in Yemen. For those of you who watched it, I'm certain that like me, you had tears streaming down your face as you witnessed the historic record setting standing ovation from everyone in the chamber except most all of the Democrats.

To add insult to injury, social media lit up with the liberal left calling this hero's widow everything from a "political prop," to an "idiot." According to Fox News, thankfully, Dan Grilo, who called her an "idiot," was fired, however, you still had the likes of a Bill Maher and Michael Moore, who blasted President Donald Trump for what they argued was his use of a Navy SEAL's widow as a political "prop." I find it interesting that this Dan Grilo was a former Hillary Clinton volunteer. took the criticism to another level, calling Carryn Owens an "idiot."

On Tuesday, Arutz Sheva published an interesting article titled, "The Democrats are not done ruining the country." Here's some of what they had to say, "This is really not your father's Democratic Party. Joined at the hip, after last week's roll call in Atlanta, are Tom Perez and Keith Ellison, two radicals chosen to lead the Party and the nation entirely leftward. Their constitution is not our Constitution and if they ever get in, prepare for an America favorable to Sharia law. If at any time that crowd gets control of the White House, or Congress, forget Judeo/Christian values because they don't like Christians and they don't like Jews. Yes I know that Trump is our President, which means we're safe for now. Yes I know that the Democrats are outside looking in. But elections come and go and in a match race everything is possible. Every election is a toss up and anything can happen, especially with millions of undocumented permanent tourists added to the polls. Even a foreigner, a man nobody knows, a man without credentials, a man sworn to convert the United States into a Socialist/Islamic Paradise, can become President. Barrack Hussein Obama was his name.

Speaking of Barrack Hussein Obama, according to the former U.S. Attorney General Eric Holder, Obama is getting ready to jump back into the political pool. "He's ready to roll," Holder told reporters at a briefing. Obama and other top Democrats are focusing efforts ...a combined effort to end "Trump-ism" and help their party regain control of Congress and legislatures across the country. Marc Elias, a top election lawyer, ...said they expect states to file new lawsuits to change the districting maps and are guiding states on where they could see legal victories. Holder said the fight will be more difficult with Jeff Sessions running the Justice Department. He added that the decision to throw out a challenge to voter laws in Texas was "disheartening."

Doubtless you heard about Sessions recusing himself subsequent to what Breitbart called Fake News, as the Media and Democrats distorted his remarks in an effort to target him. Quoting Breitbart, House Minority Leader Nancy Pelosi is calling on Sessions to resign, and the Democratic National Committee is already out with a list-building email, sent Wednesday evening: "BREAKING: Jeff Sessions may have perjured himself." But it is all just more "fake news." A chance greeting at a public event, and a Senate meeting in the course of his official duties, do not add up to anything, and the full transcript — also omitted by the New York Times — makes it clear Sessions told the truth. To me, this begs the question of what's really going on here. Has Sessions been added to a growing list of targets who have been on the receiving end of the fake news media attacks merely because he poses a threat to Obama, Holder, Pelosi and those of that ilk and liberal agenda, or is it because he has refused to back down from his investigation of a pedophile ring, known as "Pizzagate," among high ranking Democrats in Washington D.C.?

I suppose this would in some way explain why the Democrats expressed such disdain and despicable disrespect during Trump's address to Congress. Perhaps it also explains why Valerie Jarrett moved into the Obama's residence, and it may also be why Trump is accusing Obama of having his "wire tapped" at Trump Tower just before he was elected President, which he posted on Twitter yesterday.

- This brings us to the question of why the left here in America is so afraid of Trump and hell bent on destroying his presidency.
- I would suggest that what we're witnessing is a demonic plan to divide and destroy Jews and Christians and America with us.
- I'll take it a step further and suggest this is why the stakes are so high and the possibility of sudden destruction being so high.

2 Thessalonians 2:9–12 (NKJV) — 9 The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, 10 and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. 11 And for this reason God will send them strong delusion, that they should believe the lie, 12 that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.

1 Thessalonians 5:1–12 (NKJV) — 1 But concerning the times and the seasons, brethren, you have no need that I should write to you. 2 For you yourselves know perfectly that the day of the Lord so comes as a thief in the night. 3 For when they say, “Peace and safety!” then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape. 4 But you, brethren, are not in darkness, so that this Day should overtake you as a thief. 5 You are all sons of light and sons of the day. We are not of the night nor of darkness. 6 Therefore let us not sleep, as others do, but let us watch and be sober. 7 For those who sleep, sleep at night, and those who get drunk are drunk at night. 8 But let us who are of the day be sober, putting on the breastplate of faith and love, and as a helmet the hope of salvation. 9 For God did not appoint us to wrath, but to obtain salvation through our Lord Jesus Christ, 10 who died for us, that whether we wake or sleep, we should live together with Him. 11 Therefore comfort each other and edify one another, just as you also are doing.

- Before we partake together of the Lord's Table, I would like to share with you a wonderful praise report of the hope of salvation.
- I had an online member send me a screen shot of a post from a guy by the name of Jason Gibson, who gave his life to Christ.

Kindly allow me to share what he posted, “I have been agnostic or whatever semantic label you may call it. But in my conscience and in a much deeper place this man here has brought me forward in reality of logic. These weekly prophecies have made me acknowledge my soul was crying out for the Lord Savior of peace and ultimate humanity in this wonderful and awful guise in which we are all given. Thank you for an enlightening channel and thank you for making me see that cross of suffering that fell upon another fellow human being. Jesus I weep with you brother as you weep for them. God bless.” -- Then someone else posted a comment saying, “Jason Gibson, God bless you, mate. Cheers from Australia. Ex-athiest.”

- In closing, let me say, if you've never called upon the name of the Lord Jesus to be saved, I would implore you to do so today.
- I'll explain how, by sharing with you what one has called the ABC's of Salvation. The A is for Admit. Admit that you're a sinner.
- The B is for Believe. Believe in your heart that Jesus is Lord. The C is for Call. Call upon the name of the Lord; you'll be saved.
