

## Mid-East Prophecy Update – February 18<sup>th</sup>, 2018

- After seeking the Lord concerning today's prophecy update, I made the decision to do something a little bit different than usual.
- Instead of focusing on the Middle East, specifically Israel, I want to talk about the prophetic significance of the school shooting.
- This because, everyone is talking about everything but that which this is really about, namely, that of the demonic component.

- I'm hoping you'll hear me out as I share with you what the Lord has put on my heart on the heels of this unspeakable tragedy.
- In order to do that, I'll begin by arguing that the common denominator with school shootings is both drugs and satanic music.
- The truth of the matter is, young people today are becoming demon possessed in and through drugs and the medium of music.

- I know this firsthand because I was myself, as a teenager, demon possessed because of drugs and satanic music I listened to.
- Actually, this is how I came to a saving knowledge of Jesus Christ at the age of nineteen, which was over thirty-five years ago.
- I came to the realization that these groups had sold their soul for rock and roll, and as such, that meant the devil had to be real.

- I would suggest that the devil is worshipped vis-a-vis this satanic music by virtue of the powerful affect that it has on our brains.

On July 24<sup>th</sup>, 2000, Newsweek published an interesting article on "Music and the Mind," In it they state "Scientists are finding that the human brain is prewired for music." Newsweek, July 24<sup>th</sup>, 2000 pp. 50-52 - [http://www.freewebs.com/ssterry/music\\_on\\_the\\_mind.pdf](http://www.freewebs.com/ssterry/music_on_the_mind.pdf)

- I suppose we shouldn't be surprised that Lucifer, the "angel of music," would use this in order to get people to worship him.
- Consider the following quotes from many famous rock stars that, in their own words, acknowledging their worship of the Devil.

**Little Richard:** "I was directed and commanded by another power. The power of darkness. ...The power of the Devil. We must realize that there is a force that is fighting against us in this world. ...The Devil was controlling our minds, directing our lives,"

**Jimi Hendrix:** "I can explain everything better through music. You hypnotize people... and when you get them at [their] weakest point you can preach into the subconscious what we want to say. That's why the name "electric church" flashes in and out."

**Led Zeppelin:** "Let the music be your master, won't you heed the masters call? Oh Satan" (*From the song Houses of the Holy*)

**Tori Amos:** "I wanted to marry Lucifer I don't consider Lucifer an evil force I feel his presence with his music.

**Jerry Lee Lewis:** "I have the devil in me!"

**David Bowie:** "Rock and roll has always been the devil's music. ...My overriding interest was in cabala and *Crowleyism*. That whole dark and rather fearsome never world of the wrong side of the brain. ...I'm closer to the Golden Dawn, Immersed in *Crowley's* uniform"

**John Lennon:** "I've sold my soul to the Devil." "But my joy is when you're like possessed, like a medium, you know. I'll be sitting around and it'll come in the middle of the night or at the time when you don't want to do it-that's the exciting part . . . I DON'T KNOW WHO THE [expletive deleted] WROTE IT - I'm just sitting here and the whole [expletive deleted] song comes out. So it, you're like driven and you find yourself over on a piano or a guitar and you put it down because it's been given to you or whatever it is that you tune into." The whole Beatle idea was "...DO WHAT THOU WILST..."

**"Do what thou wilt** shall be the whole of the Law" is a moral utterance found in the Thelemic foundation scripture, which is called the Book of the Law. "Do what thou wilt" is known as the Law of Thelema. Aleister Crowley taught this law, in mentoring many Rock bands.

- The cover of *the Sergeant Pepper's* album by the Beatles showed a background of, according to Ringo Starr, people "we like and admire" (Hit Parade, Oct. 1976, p.14).
- Paul McCartney said of Sgt. Pepper's cover, ". . . we were going to have photos on the wall of all our **HEROES . . .**" (Musician, Special Collectors Edition, - Beatles and Rolling Stones, 1988, p.12). **One of the Beatle's heroes included on the cover of Sgt. Pepper's was — the infamous Satanist, Aleister Crowley!**
- Most people, especially in 1967, did not even know who Crowley was — but the Beatles certainly did.
- (It's believed to be Sgt. Pepper himself who "taught the band to play."

Aleister Crowley has had a large influence upon modern rock music. Unbeknownst to most Americans, much of the Hellish music which they idolize was written and sang by devout followers of [Crowley and his Satanism](#). Guitarist Jimmy Page of Led Zeppelin is a devout follower of Satanist, Aleister Crowley, who proclaimed himself as "The Beast 666". ... In 1971, guitarist Jimmy Page bought Crowley's Boleskine House on the shore of Loch Ness where Crowley practiced his hellish, satanic ... rituals, including human sacrifices. Guitarist Jimmy Page actually performed Crowley magical rituals during their concerts. Their song "Stairway to Heaven" carries the reference "May Queen," which is purportedly the name of a hideous poem written by Crowley. Page had inscribed in the vinyl of their album Led Zeppelin III, Crowley's famous "Do what thou wilt. So mete it Be.' Page and Robert Plant claim some of Zeppelins' songs came via occultic "automatic handwriting," including their popular "Stairway to Heaven."

**Ozzy Osbourne** called Crowley “a phenomenon of his time” (*Circus*, Aug. 26, 1980, p. 26). Ozzy even had a song called “Mr. Crowley.” “You fooled all the people with magic/ You waited on Satan's call / ... Mr. Crowley, won't you ride my white horse...

**Jim Morrison:** On the back cover of the *Doors 13* album, Jim Morrison and the other members of the Doors are shown posing with a bust of Aleister Crowley.

**Carlos Santana:** "I know it sounds New Age... but in my meditation, this entity - which is called Metatron - he said, 'we want to hook you back to the radio air-wave frequency. We want you to reach junior high schools, high schools and universities. Once you reach them - because we are going to connect you with the best artist of the day - then we want you to present them a new menu. Let them know that they are themselves, multidimensional spirits with enormous possibilities and opportunities. We want you to present them with a new form of existence that transcends religion, politics or the modus operandi of education today'"

**Keith Richards:** “The devil doesn’t bother me, it’s that God that p----- me off.” "THERE’S A DEMON IN ME... I’ve got four or five and we’re all good friends. So I thought I’d just singularize it. It’s like, uh, yeah, check yourself." "...And he’s still there in me. I’ve learned how to control him, I guess, and that’s what "Demon" is about too."

**Kurt Cobain:** "[I will] get stoned and worship Satan."

**The title of Black Sabbath’s 1976 compilation 2-LP:** "We Sold Our Souls for Rock ‘n’ Roll"

**Angus Young of AC-DC:** "By the time we're halfway through the first number someone else is steering me - I'm just along for the ride, I become possessed when get on stage."

**Brian Wilson** hears voices. They talk to him. They distract him, frighten him, confuse him. Right now, as the creative genius behind the Beach boys classic surf-rock sound sits for an interview in his darkened living room, the Pacific crashing loudly outside his million-dollar Malibu home, the voices are calling. The forty-six-year old screws up his face. His eyes roll toward the ceiling; they’ve gone blank. His brow is furrowed with thick worry lines. He is silent. Gone." "Warner Bros. Records president Lenny Waronker claims to have encountered at least five different entities that use Brian Wilson bodied as their home, 'There are a lot of different people there, says Waronker. I've met 5 different people.'

**Michael Jackson:** "... it's all of a sudden a magic from somewhere that comes and the spirit just hits you, and you lose control of yourself." "I wake up from dreams and go, 'Wow! Put this down on paper!' The whole thing is strange. You hear the words, everything is right there in front of your face. And you say to yourself, 'I'm sorry, I just didn't write this. It's there already'. I feel that somewhere, someplace, it's all been done, and I'm the courier bringing it into the world."

According to ABC News, as investigators began questioning the Florida shooter on his motives, he reportedly told that them that he heard voices in his head giving him instructions on how to carry out the attack. Law enforcement sources described these voices as 'demons.'

Today at The Honolulu Police Department’s Active Shooter Response Presentation, we’re going to hear about the Columbine High School shooting back on April 20<sup>th</sup>, 1999. The reason I mention this is because the two shooters were demonically inspired by a very satanic group called, “Nine Inch Nails.” One of the shooters, Eric Harris, wrote in graphic detail about unthinkable acts, quoting a line from the Nine Inch Nails' song “Closer.”

Pictured here is a screen shot from the Nine Inch Nails music video, “Closer,” depicting the crucifixion of a monkey. It should be noted that the nails used in Christ’s crucifixion were believed to be nine inches in length.

In a People Magazine article dated February 6<sup>th</sup>, 1995, Trent Reznor of Nine Inch Nails was quoted as saying, "If you think I WORSHIP SATAN because of something you see in the 'Closer' video ...great!"

Last week my oldest son Elias had me listen to a song on YouTube by a famous rapper named Kendrick Lamar titled “Pray For Me.” As of yesterday, it had over 17 million views after being posted less than sixteen days ago. Listen carefully to some of the lyrics to this song, “Mass destruction and mass corruption - Their souls are sufferin' men - Clutchin' on deaf ears again, rapture is comin' - It's all prophecy and if I gotta be sacrificed for the greater good, then that's what it gotta be...”

- Here’s the bottom line in closing, the devil is real and he knows the Bible, and even Bible prophecy better than any of us do.
- It would stand to reason that if the devil knows this and is serious about this, then we should be even more serious as a result.
- If you’ve never called upon the name of the Lord to be saved, I would like to share the good news of Salvation in Jesus Christ.

1 Corinthians 15:1–4 -- 1 Now, brothers and sisters, I want to remind you of the gospel I preached to you, which you received and on which you have taken your stand. 2 By this gospel you are saved, if you hold firmly to the word I preached to you. Otherwise, you have believed in vain. 3 For what I received I passed on to you as of first importance: that Christ died for our sins according to the Scriptures, 4 that he was buried, that he was raised on the third day according to the Scriptures,

The ABC’s of Salvation – The A is for Admit you’re a sinner, (Romans 3:23).  
The B is for Believe, (Romans 10:9-10). The C is for Call, (Romans 10:9-10 13).
